If you cannot find your CFOP listed in the Project Name drop down, please contact the core staff.

Reserve Instrument Time (Side Menu)

Click on the Reservations Tab on the menu to the left.

The screenshot displays the BookItLab IGB (Instrument Gateway Browser) interface. On the left, a vertical side menu contains the following items: DASHBOARD, Main Dashboard, CORES, INSTRUMENTS, RESERVATIONS (highlighted in blue), TRAINING, INTERACTIVE ASSET MAPS, WORK ORDERS, CONSUMABLES, REPORTS, MESSAGES, BILLING, USERS, and ADMIN PANEL. The main content area is titled 'IGB' and includes a search bar at the top with the placeholder 'Enter an asset name or asset attribute'. Below the search bar, a blue banner states: 'You are currently viewing the users board for this core. You can switch to core staff board/s, or add a new board.' with a 'Users View' dropdown. The 'Quick Actions' section contains four cards: 'Upcoming reservations' (with a '+ Reservation' button), 'Usages' (with a 'Start Usage' button), 'Consumable' (with 'Log Consumable/s' and 'Renew Stock' buttons), and 'Work Orders' (with a '+ Work Order' dropdown and a 'List' button). The 'Timeline' section at the bottom shows a calendar view for May 19-25. A legend on the left lists instruments: 600MHzNMR (pink), AFM-Raman (blue), Axio Scan.Z1 (purple), and AXIO Zoom V16 (orange). The calendar grid shows a reservation for the 600MHzNMR instrument on Monday, May 20th. The URL at the bottom left is 'https://core.bookitlab.com/illinois-igb/schedule'.

Choose Schedule and click on the Filters button just above the calendar.
