Reserve Instrument Time (Quick Access)

On the Main Dashboard you will see Quick Action Widgets

Choose the +Reservation button on the the Upcoming reservations widget.

Choose the instrument you want to reserve time on. You may need to add a filter and select/type the name of the instrument. The table view will also show a more comprehensive list if instruments.

Reserve Instrument Time (Side Menu)

Click on the Reservations Tab on the menu to the left.

The screenshot displays the BookItLab IGB (Instrument Gateway Browser) interface. On the left, a vertical side menu contains the following items: DASHBOARD, Main Dashboard, CORES, INSTRUMENTS, RESERVATIONS (highlighted in blue), TRAINING, INTERACTIVE ASSET MAPS, WORK ORDERS, CONSUMABLES, REPORTS, MESSAGES, BILLING, USERS, and ADMIN PANEL. The main content area is titled 'IGB' and includes a search bar at the top with the placeholder 'Enter an asset name or asset attribute'. Below the search bar, a blue banner states: 'You are currently viewing the users board for this core. You can switch to core staff board/s, or add a new board.' with a 'Users View' dropdown. The main area is divided into 'Quick Actions' and a 'Timeline' section. The 'Quick Actions' section contains four cards: 'Upcoming reservations' (with a '+ Reservation' button), 'Usages' (with a 'Start Usage' button), 'Consumable' (with 'Log Consumable/s' and 'Renew Stock' buttons), and 'Work Orders' (with a '+ Work Order' dropdown and a 'List' button). The 'Timeline' section shows a calendar view for May 19-25. A legend on the left lists instruments: 600MHzNMR (pink), AFM-Raman (blue), Axio Scan.Z1 (purple), and AXIO Zoom V16 (orange). The calendar shows a reservation for the 600MHzNMR instrument on Monday, May 20th. A '+ Add Reservation' button is located in the top right of the timeline section.

Choose Schedule and click on the Filters button just above the calendar.
