

Reserve Instrument Time (Quick Access)

On the Main Dashboard you will see Quick Action Widgets

Choose the +Reservation button on the the Upcoming reservations widget.

The screenshot displays the 'bookitlab' web application interface. On the left is a sidebar menu with options: DASHBOARD, CORES, INSTRUMENTS, RESERVATIONS, TRAINING, INTERACTIVE ASSET MAPS, WORK ORDERS, CONSUMABLES, REPORTS, MESSAGES, BILLING, USERS, and ADMIN PANEL. The main content area is titled 'Users View' and includes a top navigation bar with a search field, user profile, and a 'Users View' dropdown. Below the title, there are four 'Quick Actions' widgets: 'Upcoming reservations' (with a '+ Reservation' button), 'Usages' (with a 'Start Usage' button), 'Consumable' (with 'Log Consumable/s' and 'Renew Stock' buttons), and 'Work Orders' (with a '+ Work Order' dropdown and a 'List' button). At the bottom is a 'Timeline' view showing a weekly calendar from May 26 to June 1. The timeline lists four instruments: 600MHz-NMR, AFM-Raman, Axio-Scan.Z1, and AXIO Zoom V16. The 600MHz-NMR instrument shows a reservation for Monday, May 27. The AFM-Raman instrument shows a reservation for Tuesday, May 28. The Axio-Scan.Z1 instrument shows a reservation for Wednesday, May 29. The AXIO Zoom V16 instrument shows a reservation for Thursday, May 30.

Choose the instrument you want to reserve time on. You may need to add a filter and select/type the name of the instrument. The table view will also show a more comprehensive list if instruments.

The calendar with the instrument's current reservations will be displayed. On the right you will see the add reservation panel. Here you can add the date and time that you want to reserve. Choose the correct User Group (this is your PI), your user name, Internal Billing, and the Project Name (this is your CFOP). Then choose save.
