

Reserve Instrument Time (Side Menu)

Click on the Reservations Tab on the menu to the left.

The screenshot displays the bookitlab IGB (Instrument Gateway Browser) interface. On the left, a side menu lists various options: DASHBOARD, Main Dashboard, CORES, INSTRUMENTS, RESERVATIONS (highlighted), TRAINING, INTERACTIVE ASSET MAPS, WORK ORDERS, CONSUMABLES, REPORTS, MESSAGES, BILLING, USERS, and ADMIN PANEL. The main content area is titled 'IGB' and shows a 'Quick Actions' section with four cards: 'Upcoming reservations' (with a '+ Reservation' button), 'Usages' (with a 'Start Usage' button), 'Consumable' (with 'Log Consumable/s' and 'Renew Stock' buttons), and 'Work Orders' (with a '+ Work Order' button and a 'List' button). Below this is a 'Timeline' section showing a calendar view for May 19-25. The timeline includes a list of instruments on the left: 600MHzNMR, AFM-Raman, Axio Scan.Z1, and AXIO Zoom V16. The 600MHzNMR instrument has a reservation scheduled for Monday, May 20th. The timeline view is set to 'Timeline by Week' and includes a '+ Add Reservation' button.

Choose Schedule and click on the Filters button just above the calendar.

Change the calendar/timeline view with the menu on the right. Calendar by month or week are very useful.

Drag on the calendar the time you want to reserve. A menu on the right will appear. Use this to adjust the time. Here you can add the date and time that you want to reserve. Choose the correct User Group (this is your PI), your user name, Internal Billing, and the Project Name (this is your CFOP). Then choose save.
